DAC FOR PATENTS

Dear Sir:

Request had been made for issuance of a certificate of correction to correct an error in the above-noted patent under Rule 1.323. The letter dated July 16, 1999 in response to that request indicated that petition should be provided under 37 CFR 1.183.

Petition is hereby made under 37 CFR 1.183, requesting that the requirements of 37 CFR 3.81 be waived, in order to correct the name of the Assignee as it appears on the front page of the printed patent.

The facts upon which the Petition is based are set forth in the request for correction under 37 CFR 1.322. The Issue Fee transmittal form failed to include the Assignee information and hence its omission from the printed patent.

In support of this Petition, submitted herewith are:

1. Petition fee under 37 CFR 1.17(h).
2. The correct name and address of the Assignee: Connaught Laboratories Limited, 1755 Steeles Avenue West, North York, Ontario, Canada, M2R 3T4.
3. The reel and frame number where the assignment from the inventors to Connaught Laboratories Limited is recorded is

09/01/1999 RMH60T 00000111 587298 130.00 00  
01 FC:122

Reel/Frame 7645/0001 recorded October 3, 1995.

Having regard to the above, it is submitted that the petition should be granted.

Respectfully submitted,

---
